President's comments

At our officers/trustees meeting on June 16th we accomplished as much as possible with the information at hand. Under the heading 'Timing is Everything', the District 28 meeting was scheduled and held the next evening, on June 17th.

There were two very important topics of discussion at that meeting. As we continue the theme of 'Timing is Everything', both of our July meetings have been cancelled due to the Fourth of July Holiday and our 'Clerical Cookout'. It is my opinion that the items discussed at the district meeting cannot wait for almost two months for attention. For that reason, I will be calling all the officers and trustees, as well as many of our members as possible, to hold an interim meeting some time during the week of June 29th.

On another topic, Fr. George Majoros, our Vicar for Delaware County, and myself, served at the same funeral on Monday, June 22nd, at Maternity BVM Parish in Northeast

Philadelphia. I was able to get his attention for a few minutes afterwards, and he told me that both he and the new principal of their school will be very open to having us come to Our Lady of Fatima in Secane. This will hopefully provide a wonderful opportunity for getting the message of vocations and a plea for new members at the same time. I'll get with the appropriate Vice-Presidents of our club to make this happen.

As we enjoy these summer days... and I have it on good authority that we will see the sun during the coming weeks... please remember there is no vacation from our work for vocations. We can pray every day; we can be faithful witnesses every day; and we can be 'inviting' every day.

God Bless,

Deacon Jack
