Altar Server Certificate Project

Our 2014 Altar Server Recognition Certificate project is nearing completion. The deadline has past for parishes to request the certificates we provide.

Twenty-seven parishes responded to our mailing, requesting a total of 548 certificates. This year, four parishes requested that we email the certificate document so they could print them at the parish.

Volunteers from our Club will be delivering the rest of the certificates to parishes in mid-May. Thanks again to all who help with this worthwhile project.
