Altar Server Certificate Project to Start

This month, we will be sending out invitations to parishes in western Delaware and Chester counties to request certificates recognizing altar servers in their parishes.

In 2017, thirty-five parishes of the thirty-nine queried requested either printed certificates or the digital document which they could merge with the names of their parish's certificate recipients.

We provided over 240 printed certificates with blank spaces for the recipients' and pastors' names. Some parishes have told us they have talented calligraphers to enter the information on their certificates.

The eighteen parishes that requested the digital document distributed them to over 300 recipients. We are happy to provide whichever format is preferred.

We again are asking that parishes let us know their needs for printed or digital certificates as soon as possible. This will allow us to get the right number of certificates printed and distributed to all parishes on time. Thank you.

Please keep our Delchester Serra members and their families in your prayers, especially ...

Jim Doolittle (husband of Judy Doolittle)
