2021 Vocations Awareness Essay Contest

At our Club’s November meeting, we discussed the possibilities and risks associated with attempting to conduct our annual Vocations Awareness Essay contest while under the uncertain restrictions resulting from the COVID-19 pandemic.

We decided to suspend the contest for 2021. Later in 2021, when we have more information about the resumption of more normal classroom activities, we will reconsider resuming the contest for 2022.

We again thank Judy Doolittle and the other Club members who work on the annual contest for their efforts to increase awareness of vocations at our parishes. We look forward to resuming this activity in the future.

Thank You, Father

Through its New Serra Missionaries program in our Archdiocese, Serra is introducing the “Thank You, Father” program to show our appreciation, affection, and support for our priests. The laity is being asked to send a letter or email of gratitude for the remarkable priest in their lives, telling how he made an impact by God’s grace. All letters will be sent to the corresponding priest. The Vocation Office may post select letters on social media.

These submissions should be sent in by December 31, 2020. If sending mail, the address is

ATTN: Thank You, Father

Emailed submissions should be sent to Cynthia Brown at

Our Club members know that we will continue our annual tradition of sending thank you notes on Holy Thursday to all priests in our affiliated parishes as well as those whom we especially value for their assistance.
