World Day of Prayer for Vocations - May 8, 2022

Pray for Vocations!

As Catholics, we firmly believe that God has a plan for our lives! He calls some to marriage, some to the priesthood, and others to religious life or to live as generous single people. Fully living our own vocations—and teaching young people how to discern God’s call—is a serious duty, but also a joyful one.

During this week, please encourage the young people in your life—children, grandchildren, students, and friends—to be open if God calls them to priesthood or religious life.

Teach Your Children to Use GPS

After Mass today, have a conversation with your children, asking, “What do you want to be when you grow up?”

After a few moments of discussion, ask, “Who do you think God wants you to be when you grow up?”

Emphasize to your children that God has a specific plan in mind for them, and that following God’s plan is the surest way to happiness.

Every life decision—which college to attend, whom to date, which job to pursue, whether to enter seminary, whom to marry—should be undertaken only after praying for God’s guidance.

In other words, encourage kids to navigate life using GPS—God’s Positioning System.

Altar Server Certificate Project Update

Letters were sent in mid-March to pastors of the 40 parishes which have utilized these certificates in the past. Eighteen parishes requested electronic documents to merge and print Altar Server Recognition Certificates at their sites and one parish requested blank certificates on which to enter the parish and recipient information.

We appreciate the efforts of all parishes to recognize the importance of their altar servers. We hope such recognition will continue to keep vocation options in the minds of all.

Please keep our Delchester Serra Members and their families in your prayers, especially...
