2023 Altar Server Recognition Certificate Project Report

In March we sent out both letters and email to 39 parishes in Delaware and Chester counties. We heard back from 18 of those parishes.

We provided ten printed certificates to the one parish that requested them in that format. We also provided electronic documents to the other 17 parishes which were used to print 242 certificates to be awarded to altar servers in those parishes.

We are glad to be able to continue helping recognize the role of altar servers in the Mass and possibly help them see a vocation for themselves, too.

From Our Club President

Mary Our Mother

During the month of May let us look for ways to honor Mary and ask for her precious intercession for ourselves and those discerning their vocation. In our Serra handbook on page 102 you will find the Holy Rosary for vocations. A good beginning.

There are also many other prayers and Novenas. They all help strengthen our spiritual life as well as the lives of those we include in our prayers. Through our Holy Mother, God hears our petitions. Let us assist the Lord of the Harvest. Choose what suits you best and let us all knock on Heaven's door through Mary.

Have a blessed month,

Dolores
