Change in Serra Dues

The most recent increase in dues assessed by Serra International and Serra USA has resulted in an increase to our members - \$95 for an individual member and \$143 for a couple.

Our Club's dues have remained the same from 2015 to now even though the amounts we must submit to Serra International and the USA Council of Serra International have risen to more than our members have been assessed. Our Club has been paying the difference.

This increase will be reflected in dues bills in September with our members' September newsletter.

Please pray for Delchester Serra Club member William A. "Bill" Murray who died since our last newsletter and for his family.

May he rest in peace.

Please keep our Delchester Serra Members and their families in your prayers.
