Serra for Priestly and Religious Vocations

**DID YOU KNOW** that there are special seminaries for men entering the priesthood later in life, seminaries where students range from ages 25 to 60? Many of these men have thought about being a priest at one time or another but, for whatever reason, pushed the idea to the back of their minds. They are men who have made a career change to a second vocation, the priesthood. They're ordinary people, men who have been electricians, teachers, barbers, policemen, social workers, businessmen, farmers, dentists. Some are widowers, even grandfathers. Diverse though their backgrounds may be, they now share one aim in life: to become a priest and serve God's people. Could you be one of them?

**FAMILY LIFE CAN BUILD VALUES** integral to a strong vocation — whether to priesthood, religious life or marriage.

Teaching your children to value commitment, service and prayer will help them make strong vocation decisions as adults and live out those vocations with success and fulfillment.

### Heads Up

It's that time of year again when Delchester Serra Club members pay their annual dues. These amounts are used to pay the amounts our club must pay to both Serra International and the USA Council of Serra International. Dues Notices will be sent with the printed August Newsletter to all Club members.
